How You Can Help:

Organize a Food Drive!

Step 1: Create a Plan

- Choose a location to collect food donations
- Set a target (e.g., number of cans or pounds of food)

Step 2: We'll Support You With:

- Donation bins
- A list of most-needed items
- Pickup service (Tuesdays & Thursdays, 9:30 AM – 1:30 PM)
- Drop-off option at our food bank

Step 3: Notify Us Early

- The earlier the notice, the better we can coordinate pickup or drop-off.
